The UPES Honour Code intends to communicate the significance of our prestigious institute's academic integrity in our journey to become the Institution of global standing for developing professionally competent talent contributing to nation building. This code embodies the essence of UPES' core values; Respect, Innovation, Passion, Inclusivity & Trust to create a learning environment that is based on a system of mutual trust among students, faculty, and staff. Therefore, each student must uphold and follow the UPES Honor Code.

What's an Honour Code?

In essence, the Honour Code defines each student's expected standard of conduct in the interest of the UPES's honest academic and intellectual affairs. It also identifies and sanctions those who fail to live up to the stated expectations of this learning community concerning these standards.

I also understand that I may not be allowed to sit for my exams if I fail to do so and the University may notify my parent(s)/legal guardian(s) about my attendance performance.
- **Ethical Behavior:** I understand that students recognize UPES as a safe and secure institution to study and inhabit and students are encouraged to not tolerate any unethical behavior by any fellow member of the UPES Community. Therefore, I will report to the University authorities any illegal or unethical behavior from my peers, to protect the sanctity of the institution.
- **Health & Safety:** I understand that UPES is a shared intellectual space where decorum and discipline are encouraged. On campus, I will occupy shared spaces in the most civil and respectful manner. I will make sure while commuting to and from the university campus, I follow traffic rules to maintain road safety for myself and others.
- **Honesty:** I understand that as part of this community, I am expected to be honest and truthful to UPES by acting in accordance with all relevant legislation and statutory requirements.
- **Respect:** I understand that as a UPES student, I am expected to adhere to the highest standard of personal integrity at all times. I will respect fellow UPES peers, faculty, staff, and resources at all times.
